AMERICAN-BUILT 2WD UTILITY VEHICLE

LOCKING DIFFERENTIAL ADVANTAGE

Conditions can change in the blink of an eye. The trail you drove in on this morning can become a swampy bog after a downpour. The truth of the matter is that a lot of people don't need a four-wheel drive UTV for everyday use, but that doesn't mean that traction control isn't sometimes a concern. A locking differential ensures both rear tires are turning at the same speed to help keep you moving forward. When traction isn't an issue, leave the differential open, allowing the rear wheels to turn at different speeds to reduce digging and rutting in gravel or on your yard.

THE BEST COMBINATION OF DURATION AND COVERAGE IN THE INDUSTRY

We build UTVs at American LandMaster with the intention of our customers never needing to use a warranty, but we know things can happen. The **Easy Life Warranty** from American LandMaster is a 12-month bumper-to-bumper limited warranty. Does limited sound confusing? It isn't. **As long as you care for your machine like you should, don't wreck it, or crush it, or let it be attacked by unruly farm animals, we're going to cover it.** Except for tires, brake pads, batteries, damage, neglect. That's the limit. **Visit AmericanLandMaster.com to learn more.**

POWER	14hp 429cc LandMAXX Kohler EFI air-cooled OHV single cylinder
SPEED	Up to 22 mph**
FUEL CONSUMPTION	Up to 20 mpg* *
RANGE	Up to 100 miles**
STARTING	12V keyed ignition with recoil backup
BATTERY	12V / 360 cca utility class
SPARK PLUG	NGK BPR6ES
FUEL CAPACITY	5.0 gal

ACCESSORIZE AND PERSONALIZE

What can we make easier for you? Accessories are where you make your LandStar model your own, allowing you to customize your vehicle for the exact kind of work, or play, you're doing. Sound, lighting, cargo management, safety, and customization, we've got accessory options for all of it.

AVAILABLE ACCESSORIES:

WINCH | PLOW | FRONT RACK | BLUETOOTH SOUND GUN RACK | LED LIGHTBAR | ENCLOSURE | CV GUARDS SIDE MIRRORS | CUSTOM WHEELS | TURF TIRES
 These accessories and more available at your local dealer or online.

EXTRA SEATING

Need to take a couple more people along? Any LandStar UTV can be equipped with the flip-seat conversion, replacing the standard poly bed with a steel bed and rear-facing flip seat. When not being used, the seat folds down into storage, allowing the steel dump bed to be used for cargo.

** Estimates. Actual top speeds, fuel consumptions and vehicle ranges may vary due to driving conditions, terrain, climate and other extenuating circumstances.
