

**LANDSTAR™****550****AMERICAN-BUILT 4WD UTILITY VEHICLE****ON-DEMAND 4WD ADVANTAGE**

When you need four-wheel drive, you need it right away. Getting your gear through the swamp or across a muck field to work on a breakdown is no time to get stuck. Times like these are when the on-demand 4WD system in every 4WD LandStar UTV truly shines. Don't wait for difficult terrain to engage the 4WD, engage the system when you start your trip. When the system senses rear-tire slip, it will automatically engage the front tires to maximize traction. It doesn't matter if it is work or play that takes you off road, the on-demand 4WD system will keep you moving.

**THE BEST COMBINATION OF DURATION AND COVERAGE IN THE INDUSTRY**

We build UTVs at American LandMaster with the intention of our customers never needing to use a warranty, but we know things can happen. The **Easy Life Warranty** from American LandMaster is a 12-month bumper-to-bumper limited warranty. Does limited sound confusing? It isn't. **As long as you care for your machine like you should, don't wreck it, or crush it, or let it be attacked by unruly farm animals, we're going to cover it.** Except for tires, brake pads, batteries, damage, neglect. That's the limit. **Visit [AmericanLandMaster.com](http://AmericanLandMaster.com) to learn more.**

**ACCESSORIZE AND PERSONALIZE**

What can we make easier for you? Accessories are where you make your LandStar model your own, allowing you to customize your vehicle for the exact kind of work, or play, you're doing. Sound, lighting, cargo management, safety, and customization, we've got accessory options for all of it.

**AVAILABLE ACCESSORIES:**

WINCH | PLOW | FRONT RACK | BLUETOOTH SOUND  
GUN RACK | LED LIGHTBAR | ENCLOSURE | CV GUARDS  
SIDE MIRRORS | CUSTOM WHEELS | TURF TIRES  
These accessories and more available at your local dealer or online.

**EXTRA SEATING**

Need to take a couple more people along? Any LandStar UTV can be equipped with the flip-seat conversion, replacing the standard poly bed with a steel bed and rear-facing flip seat. When not being used, the seat folds down into storage, allowing the steel dump bed to be used for cargo.

\*\* Estimates. Actual top speeds, fuel consumptions and vehicle ranges may vary due to driving conditions, terrain, climate and other extenuating circumstances.
